

Statutory auditor's report to the general meeting of Exmar NV for the year ended December 31, 2012

As required by law and the company's articles of association, we report to you on the performance of our mandate of statutory auditor. This report includes our report on the annual accounts for the year ended December 31, 2012, as defined below, as well as our report on other legal and regulatory requirements.

Report on the annual accounts

We have audited the annual accounts of Exmar NV ("the company") for the year ended December 31, 2012, prepared in accordance with the financial reporting framework applicable in Belgium. These annual accounts comprise the balance sheet as at December 31, 2012, the income statement for the year then ended and notes. The total of the balance sheet amounts to KUSD 1.057.909 and the income statement shows a profit for the year of KUSD 161.356.

Board of directors' responsibility for the preparation of the annual accounts

The board of directors is responsible for the preparation and fair presentation of these annual accounts in accordance with the financial reporting framework applicable in Belgium, and for such internal control as the board of directors determines, is necessary to enable the preparation of annual accounts that are free from material misstatement, whether due to fraud or error.

Statutory auditor's responsibility

Our responsibility is to express an opinion on these annual accounts based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the annual accounts are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the annual accounts. The procedures selected depend on the statutory auditor's judgment, including the assessment of the risks of material misstatement of the annual accounts, whether due to fraud or error. In making those risk assessments, the statutory auditor considers internal control relevant to the company's preparation and fair presentation of the annual accounts in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the board of directors as well as evaluating the overall presentation of the annual accounts. We have obtained from the company's officials and the board of directors the explanations and information necessary for performing our audit.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our unqualified opinion.

Unqualified Opinion

In our opinion, the annual accounts give a true and fair view of the company's equity and financial position as at December 31, 2012 and of its financial performance for the year then ended in accordance with the financial reporting framework applicable in Belgium.

Report on other legal and regulatory requirements

The board of directors is responsible for the preparation and the content of the annual report, for maintaining the company's accounting records in compliance with the applicable legal and regulatory requirements, as well as for the company's compliance with the Company Code and the company's articles of association.

In the framework of our mandate our responsibility is, in all material aspects, to verify compliance with certain legal and regulatory requirements. On this basis, we provide the following additional comments which do not modify our opinion on the annual accounts:

- The annual report includes the information required by law, is consistent, in all material aspects, with the annual accounts and does not present any material inconsistencies with the information that we became aware of during the performance of our mandate.
- Without prejudice to formal aspects of minor importance, the accounting records were maintained in accordance with the legal and regulatory requirements applicable in Belgium.
- The appropriation of results proposed to the general meeting complies with the legal provisions and the provisions of the articles of association.
- There are no transactions undertaken or decisions taken in violation of the company's articles of association or the Company Code that we have to report to you.
- In accordance with art. 523 §1 of the Company Code the Report of the Board of Directors makes reference to a decision by the Board of Directors in respect of the offering of a remuneration proposal for which Mr. Nicolas Saverys and Mr. Patrick De Brabandere had a conflicting interest in their role as director of the company. Both gentlemen did not take part in the deliberations or voting regarding these remuneration proposals.
